polymers additives**

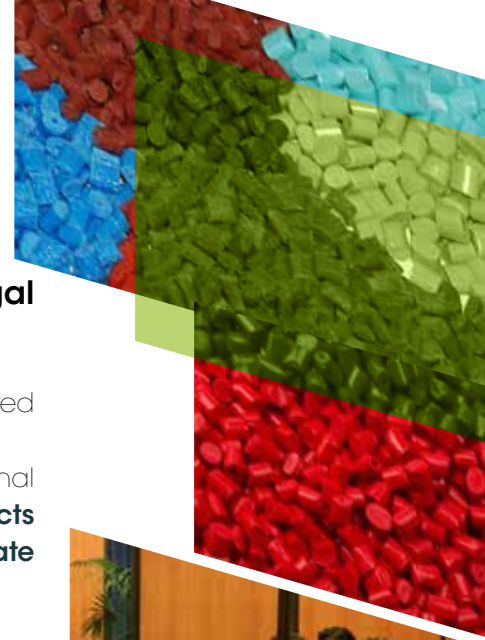

[lisboa.plastics-meetings.com](http://lisboa.plastics-meetings.com)

**PLASTICS MEETINGS: A successful event in France, this international business convention is coming to Portugal for the first time.**

**Plastics Meetings Lisboa** is an international business convention dedicated to **the development of the plastics industry** supply chain in Portugal.

Over two days, this unique event in Portugal will act as a platform for international contract manufacturers and qualified suppliers to **meet targeted contacts** through our pre-arranged one-to-one meetings and **receive up-to-date market** data through our conference program.

**Plastics Meetings Lisboa is the official venue for the Plastics Industry to explore the market, identify new business partners and investment opportunities on an international scale.**
